Jane is amazing!

The pre-nup welcoming reception for our out of town friends and family was one of the most memorable events of the week. Our guests are still commenting on the party. Imagine, Jane and I planned this through emails. Her exceptional execution of plans amazed me. Armed with only my vague idea of what I was trying to do, she went forward with a theme, a menu, music and her bright and sunny personality to create a fun and exciting evening. Artichoke Catering presented a beautiful array of foods just perfect for a light dinner reception for out of town guests that were in need of refreshing and relaxing from a long day of flying. When I returned to the Inn from the Rehearsal Dinner to greet my guests, I was met with resounding compliments about the welcoming party. Many thanks for everything Jane! I would highly recommend you to whom ever asks for my suggestions or opinions. Many kudos to you. **Barbara Termini - Pennsylvania**

"Jane is wonderful"

Our wedding day could not have been more perfect and it is thanks to Jane. We wanted a small beach wedding and it is hard to do long distance. As soon as I found Jane my frustrations went away. I call her the one stop wedding shop. She not only coordinated the day but she married us, made the flowers, and also provided the music. She is passionate about her work and really cares about making people happy. I highly recommend her to make your wedding day special and unforgettable. **Kelly Bogdon- Buffalo, New York**

Jane, you are a Jewel! " Looking at our Wedding Day photographs gets us talking nonstop again about what a "perfect day" it really was for us...thank you so much for everything Jane! **Molly & Ryan -Boca Raton, Florida**

Jane is truly a treasure. We wanted a small intimate ceremony on the beach, but we were over 1000 miles away. She helped us locate the photographer, put together the flowers, provided us directions, etc. It started raining about the time we were supposed to start (beach setting), but with her determination, we waited the rain out, and had the outdoor setting we wanted. It would have been so difficult without her guidance and assistance. Her enthusiasm is contagious, and she obviously loves what she is doing. We plan on returning to the area, and if we need anything, we will definitely contact her. **Gina & Ron - Shawnee, Kansas**

Jane was wonderful, very professional, and paid attention to every detail that was important to my husband and I. Her singing was outstanding and the decorations were phenomenal. Jane made our wedding day one that no one will ever forget! **Crystal & James - North Carolina**

"Everyone loved Jane !" Zach and I live in Michigan and are very familiar with Florida and have very helpful parents that would do anything and everything for us for our Wedding (they did do a lot for us while in Florida for a week), that was just it... though we didn't want anyone to have to work on such a

special day like on our Wedding Day when they traveled down to Florida to be with us for our Wedding . Jane was FANTASTIC, she did everything and then some for us, right down to assisting in even serving us our dinner plates first for us while we had pictures taken on the beach (so we could eat right away before all of the rest of the guests). She was so thoughtful with everything she did for us, even wearing colors to compliment the Bridesmaid's dresses. We never met her face to face until we were in Florida yet I had no doubts that she would do everything that we needed since she had been so responsive and quick with everything we asked for while pre-planning the Wedding from Michigan. We would highly recommend Jane and so would our families and friendseveryone loved her!!!" **Sarah & Zach - Battle Creek, Michigan**

Jane was a wonderful wedding planner. She was always prompt at responding to questions and made planning a wedding in Florida easy. We are from out-of-state and were unaware of any of the wedding vendors in the area. Jane had many great recommendations for cakes, photographers, music, etc. She gave us a variety of options ranging in price and style. She was so fun and energetic and was most sincere about making out day they way we envisioned. We were never pressured to make a certain decision or use a specific vendor. I cannot believe how many wedding guests have told us it was the nicest wedding they had ever attended. Jane helped plan the perfect day!

*Jane, I was a peripheral observer, but thought you worked very hard on my daughter's wedding day to make it a perfect wedding for her and her Mother and I appreciate that more than you can know. Thank you for an excellent job on our daughter's wedding! **Dr. Richard Bartsh** Naples, Florida*

The Bride: Andi H. B.** Jane! I still can't believe what a great job and an awesome wedding we had. You made it more than I had ever imagined! Love you! **Andi-Naples, Florida

The Groom: Kenny B.** Jane, I have to tell you, you did one hell of a job at our wedding. You made it happen! **Kenny - Naples, Florida

***We found an absolute treasure in Jane.** We wanted to hold a very special and different celebration for our daughter and son-in-law's vow renewal – it would be the wedding that we hadn't been able to have for them when they were married in 2006. What a wonderful weekend we all had, with guests arriving from all over the country and the groom's family coming from Brazil. It's no easy task to pull off a destination wedding from Boston, but with Jane's immeasurable guidance and enthusiasm we did just that. We could tell from the very beginning that her aim is to make her clients happy. She assisted us in planning a welcome dinner, choosing the photographer and musicians and with everything down to the last detail. She even officiated the ceremony, which was very intimate and heart-felt. Jane's made this an event we will all remember – what fun we all had! You'll never meet a nicer person either.*
